

PEACE DAY

- Listen and complete.

kind - global - September - celebrate - violence - study

Created by the United Nations General Assembly in 1981, Peace Day is celebrated around the world on 21st

The aim of this day is to the power of global solidarity for building a peaceful and sustainable world.

Can we do anything? Yes! In our own small way we can all make a difference!

We can be to others.

We can act like citizens.

We can and learn about past and present wars.

We can be empathetic to the victims of
